**The monthly levy quotas of sugar are not based on the requirement or demand of the State Governments but these are allotted on the basis of certain uniform norms out of the total quantity of levy sugar available for allocation to all the state Government

**In addition, a small quantity of levy sugar is also allotted to Para-Military Forces deployed in the State.

Allotment of Incomplete flats by the DDA under Hudco Scheme

2136. SHRIMATI MONIKA DAS: Will the Minister of WORKS AND HOUSING be pleased to state:

(a) whether it is a fact that the DDA has allotted incomplete flats in various colonies under HUDCO scheme of 1979;

(b) whether it is also a fact that allottees have been asked to pay their instalments whereas they have not been given the possession of the flats because of non-completion;

(c) whether some allottees have already made initial payments or three/four monthly instalments but the possession has not yet been given; and

(d) if so, what are the reasons therefor?

THE MINISTER OF PARLIAMENTARY AFFAIRS (SHRI H. K. L. BHAGAT): (a) Yes Sir. DDA has allotted some incomplete flats under the scheme in two colonies.

(b) to (d) In the case of Shalimar Bagh Janta flats (600), the damand letters were issued in the month of April, 83. These flats were not complete and deferrment of payment on the initial amount as well as instalments was allowed by the DDA upto October, 83. Possession letters in respect of almost all the flats have been issued.

In the case of 472 flats at Pitampura allocation-cum-demand letters were issued and payment was received in almost all the cases and possession letters for 255-

flats were issued. Subsequently due to dispute arising with the contractors, these flats could not be completed and further issuance of possession letters was stopped.

In the case of 504 flats Pitampura, no demand letters were issued and no payment was received as these flats were not expected to be completed in the near future.

Modernising of Sugar Industry

2137. SHRI C. HARIDAS: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) what is the number of sugar factories in India;

(b) what type of technology is being used in these mills;

(c) whether Government are aware that most of them are being run on obsolete technology; and

(d) whether Government propose to modernise sugar industry and to what extent sugar industry has been modernised?

THE MINISTER OF FOOD AND CIVIL SUPPLIES (RAO BIRENDRA SINGH): (a) There are at present 356 installed sugar factories in the country.

(b) Most of the sugar factories except a few are using the latest technology available in the country;

(c) Does not arise.

(d) Few sugar factories which are using old technology as a result of having old plant and machinery can modernise and rehabilitate their factories for which the Central Government has a soft loan scheme. 29 sugar factories have already taken advantage of this scheme upto 31st December, 1984. In addition the Sugar Development Fund created by Government of India also envisages giving help to such factories for undertaking modernization and rehabilitation by advancing margin money assistance.

Promotional avenues for Scientists to ICAR

2138. SHRI KAPIL VERMA: Will the Minister of AGRICULTURE AND RURAL DEVELOPMENT be pleased to state:

(a) whether the Indian Council of Agricultural Research has decided to provide more promotion avenues to scientists working under it, if so, the details thereof;

(b) whether the I.C.A.R. plans to introduce better and more effective assessment of scientists, if so, what are the details thereof; and

(c) whether the Council proposes to dispense with the system of promotion on the basis of published scientific works and replace it by project file mentioning the work done and important duties performed?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT (SHRI CHANDULAL CHANDRAKAR): (a) There is no proposal to provide more promotion avenues to scientists working under the ICAR then provided at present.

(b) The system of assessment of the scientists borne on the Agricultural Research Service is reviewed from time to time to bring about improvement therein. The system has been reviewed recently in the light of the expertience gained in its working as also the grievances aired by the scientists from time to time. In order to make the system even more responsive, the criteria and methods for five yearly assessment have been quantified and a decision has been taken in regard to the maintenance of personal files by the assessee scientists as also improvement in the maintenance of Research Project files by them. The assessment proforma has also been sligtly modified.

(c) The assessment of performance of the scientists is based, among other, on the project files maintained by them and publications to their credit. Neither of them has been dispensed with as a result of the view of the system of assessment
